To Whom It May Concern:

As Chairman of the South Florida Super Bowl Host Committee, I am pleased to recommend McCray's Backyard Barbeque to the Town Council of Mangonia Park. The Host Committee had the good fortune of working with the great team of professionals at McCray's Backyard Barbeque in 2007 for Super Bowl XLI and once again in 2010 for Super Bowl XLIV.

McCray's Backyard Barbeque has consistently provided quality barbeque as well as excellent, reliable and friendly service at many of our local events such as our volunteer recruitment rally held at their establishment and our volunteer appreciation party for over 2,000 people. As an Emerging Business they also provided their outstanding food and services at the 2007 and 2010 official NFL Tailgate Party on Super Bowl Sunday.

Their product is first class and their reputation with the South Florida community is top notch. It has been a real pleasure to work with people who know the true meaning of efficiency, quality service and great food.

Sincerely,
